

COMMONWEALTH OF MASSACHUSETTS
**Board of Registration
of
Hazardous Waste Site Cleanup Professionals**

ONE WINTER STREET, 3rd Floor
BOSTON, MA 02108
617-292-5556
FAX: 617-292-5872

APPROVED CONTINUING EDUCATION COURSES AND CONFERENCES AS OF January 13, 2014

Both LSPs and course providers may submit a description of a course or conference and seek the Board's approval for the awarding of continuing education credits. Each month, at its monthly Board meeting, the LSP Board reviews requests submitted during the previous month and determines whether to approve each of the courses or conferences for credit. If a course is approved for credit, the Board also determines how many credits to award for attendance at the course and whether those credits are "technical", "regulatory", "DEP technical", or "DEP regulatory".

The following list contains information about all of the courses and conferences that the Board has approved as of the date listed above. This list is updated monthly. If you would like to obtain a subsequent edition of this list, it is accessible on our Web site: <http://www.state.ma.us/lsp>. If you cannot access the Web site, please contact LSP staff member Allen Wyman at the above address, phone or FAX numbers.

This list contains many previously delivered courses. If you wish more information about upcoming courses or courses given on a periodic basis, please contact the course provider. You will find them listed with a contact person, a telephone number and, if available, one or more have the following: e-mail address, Web site, FAX number.

Please note that in approving a continuing education course about a particular remediation technology or method, the Board is not endorsing or recommending the use of that technology or method.

NOTE: There are three lists on the following pages:

- List #1. Upcoming approved courses and conferences that Board staff is informed of;
- List #2. Approved courses and conferences that may be offered at some point in the future;
- List #3. Courses and conferences no longer being offered.

THE COURSES ON LISTS 2 & 3 ARE ARRANGED ALPHABETICALLY BY THE PRESENTER.

NOTES CONCERNING COURSE NUMBERS ENDING IN A LETTER “A”, “B”, etc. Course numbers ending in a letter (e.g., 1071A) indicate courses that have been slightly altered from the initial presentation. Credit toward renewal of license will be given once for each course number, disregarding the letter suffix.

LIST #1. WHEN COURSE PROVIDERS TELL THE LSP BOARD STAFF OF THEIR UPCOMING SCHEDULE OF APPROVED COURSES, THE STAFF POSTS THAT INFORMATION HERE. FOR OTHER POTENTIALLY ACTIVE COURSES THAT HAVE BEEN APPROVED BY THE LSP BOARD, SCROLL DOWN TO LIST #2.

Board's Course No.	Course Name	Presented By	Credits (Cr)	Category R= regulatory T= technical DEP= DEP crse	Contact Information	Course Date(s)	Location
